

Joint statement on support for Ukraine

We, the leaders of the Nordic countries, remain unwavering in our support for Ukraine's independence, sovereignty, and territorial integrity within its internationally recognized borders. Building upon the Joint statement of the Nordic-Ukrainian Summit in Helsinki, we pledge to continue our support for Ukraine for as long as it takes. To this end, we welcome the G7 Joint Declaration of Support for Ukraine.

Together and with partners, we intend to build on the framework of commitments and arrangements – considering the wide range of needs from provision of modern military equipment to training initiatives and support for resilience. We will do so in order to contribute to Ukraine's long-term security, deter future Russian aggression, strengthen Ukraine's economic stability and resilience, and provide technical and financial support for Ukraine's immediate needs. Our engagement will be in accordance with our respective legal and constitutional frameworks. We will pursue this work without further delay.

We are committed to support Ukraine as it defends its sovereignty and territorial integrity, rebuilds its economy, protects its citizens, and advances its reform agenda, as it pursues its integration into the Euro-Atlantic community.
